Custom Character Sheets

Introduction

Greetings Chummers! Welcome to Extell's Custom Character Sheets. Inside you will find character sheets designs for all the major archtypes of Shadowrun 5th Edition.

I was inspired to create these sheets by the wonderful work found here: <http://charactersheets.minotaur.cc/> . These are the same sheets I use for my Pathfinder characters and I loved having specialized sheets for which class I play rather than the generic setup of the one in the Player's Handbook. Shadowrun's basic character sheet falls in that same category; generic.

If you want to show appreciation for my work, just shoot me an e-mail with a thanks (you can find my e-mail on my site listed below). If you like the cover art, head over to JoeRocks' blog or DeviantArt site (below). He does some awesome work!
